Offered at \$900,000

This gorgeous Frank Lloyd Wright style home offers panoramic views from almost every room in the house. This home is flooded with light with wall to ceiling windows and power window treatments when you want to watch a movie. Step outside on your covered deck and enjoy views of Echo Valley golf course. This award winning home was a builder show home in the 2017 HomeShowExpo built by Genesis Homes of Iowa. It was originally built for the builder to live in, so it has many custom features like mahogany walls, a tv that will disappear into the ceiling in the master, tons of smart features, geothermal, custom rain sensing irrigation, a HERS rating of 42, and the list could go on. The walk-out basement offers a custom bar, fireplace, man-cave bathroom complete with a urinal and hand dryer. The owner has completely tricked-out the backyard with \$95k in custom landscaping, a water feature, and a gas fire pit which makes your view that much prettier.
