Offered at \$19,500

Looking for an affordable lot with utilities ready to install and in a GREAT SPOT? You just found it...better yet...great price too. If you are looking to build...you just found a wonderful lot to build on. Located on Geneva Court, the surrounding mountain, valley and lake views are outstanding in all directions. Build here...you will have nice views from all windows in the home. Come on out and walk this land feel free to picture the future, picture your dreams, and picture where in the world you are gonna put that nice Deck so you can BBQ at night and drink Coffee in the morning while outside! This is an Estate sized parcel, what means is it is larger than 1/2 acre, and zoned for Horses, Chickens, you can have a goat if you want, AND...there is an HOA that keeps the streets maintained and the neighborhood nice and it is CHEAP too, not like the city. Come take a look!
