

# Remarks - Reidsville, NC

00 Beville Road, Reidsville, NC, 27320

Offered at \$265,000

This property is currently land locked with no current access. This is a wonderful tract of land with a gentle slope down to the Haw River which is the northern boundary line. All mature hardwood trees throughout the land with plenty of great sites to build on. Camp Guilrock borders on the east side with the Haw River on the north side. Access would have to be negotiated from one of the neighboring landowners.
