

Craftsman, Single Family - Walhalla, SC

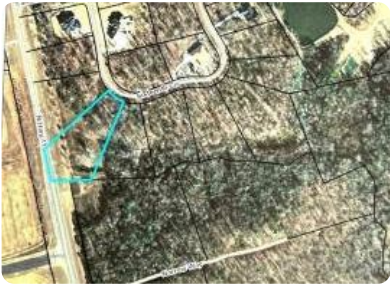

04 Sixteenth Circle, Walhalla, SC, 29691

Offered at \$658,700

This 2-story rustic Craftsman home plan has a hardy board and stone exterior and decorative brackets in the gable peaks. A vaulted covered entry and a shed roof over the garage add to the curb appeal. Around the corner from the foyer - which has views to the vaulted great room ahead - you'll find your home office with views to the front. The kitchen is open to both the dining room and great room, and both of those rooms have access to the outdoors through sliding doors. The master bedroom has sliding door access to the back and a large walk-in closet through the four-fixture bath. A family foyer off the garage entry helps control clutter with a built-in bench and storage. Upstairs, there are two bedrooms that share a Jack and Jill bath and a loft at the top of the stairs gives you room to enjoy outside your bedrooms.
