

Land - Albuquerque, NM

10909 Modesto Avenue NE, Albuquerque, NM, 87122

Offered at \$200,000

Sandia Mountain views from this lot are spectacular! North side lot on Modesto. Come walk around and envision your next home. Then you can design and build your Dream home on this view lot. The flood zone is manageable with proper engineering and there is a nice elevated section in the NW corner that may be buildable. The school districts are Double Eagle, Desert Ridge and La Cueva. Now is the right time to make plans to build a great home or hold onto this lot this for a future investment as view lots are limited especially in this area and these school districts.
