

# Land - Albuquerque, NM

## 11502 Elena Drive NE, Albuquerque, NM, 87122

Offered at \$275,000

Nestled near the Cul-de-Sac, dead end of Elena just east of Browning. This lot gives you a prestigious address and incredible views on one of the most coveted streets in North Albuquerque Acres. Your builder, or one we can suggest, can design a home to take in views from all directions. Dirt on Elena is typically priced higher, so design an engineered plan to remedy the flood zone, helping you have an Elena address at a reasonable price. New high end homes are currently being built in the area. You will enjoy the open feeling given by looking across the Sandia Reservation. Double Eagle, Desert Ridge and La Cueva Schools are also coveted. Enjoy the location for easy access around Albuquerque, to Santa Fe, restaurants and shopping. Yes, you can live and build on Elena!
