Offered at \$359,000

Welcome to your circle drive home where you can enjoy a peaceful neighborhood full of mature trees and classic large brick homes. Exquisite flowerbeds frame out this well-maintained home and has a backyard large enough for children to play, pets to run and any recreational items you would like to add. The laundry closest is center of four large bedrooms with ample closet space. The office, on the main floor, has a setting anyone working from home would desire, as it looks out over the backyard. The layout of this home flows perfectly for family gatherings. An eat-in bar next to the dinning area flows off to the back deck or into the family room. Relax by the custom built-ins and fireplace and/or enjoy the television from any of those rooms. The basement has framing already in place, as well as, gas for a fireplace and plumbing for a full bath. Gas lines conveniently in place for a backyard grill. Spend your evenings by the firepit surrounded by mature trees that provide privacy all around. Lots of shopping and attractions near-by for you to enjoy. Just minutes from Cherokee Lake, Knoxville and Pigeon Forge.
