Welcome home to this quality new construction home built by S&S Homes in Horizon Estates. Designed with a functional layout, comfortable living spaces, and room to grow, this home combines modern new construction with the space today's buyers are looking for. The 1,192 sq. ft. main level features a well-designed floor plan with an inviting living area, kitchen and dining space, two bedrooms and two bathrooms. The kitchen will have two tone cabinetry with under cabinet and toe kick lighting, walk in pantry and plenty of counterspace. The primary suite offers a private bathroom and walk-in closet, creating a comfortable retreat at the end of the day. One of the standout features is the oversized, full finished & heated 4-car garage, providing plenty of room for vehicles, storage, recreational equipment, or a workshop area. The lower level offers an additional 1,192 sq. ft. of additional finished living space. Built by S&S Homes, this home offers thoughtful design, quality construction, and the opportunity to own a brand-new home in Horizon Estates. New construction. 4-car garage. Room to grow.
