

Land - Bar Harbor, ME

145 Sand Point Road, Bar Harbor, ME, 04609

Offered at \$695,000

Located close to Bar Harbor and feeling like a world away, The Ovens are geological sea caves carved by the ocean, explorable at low tide, and accessed by an impressive, gated staircase from the property. A short stroll down leads to one of the ovens, known as Cathedral Rock. The fine stone beach is expansive and private. Land lubbers will enjoy beachcombing for sand dollars and starfish and walking the long beach, and water lovers will love the clear waters to swim and paddle. Residing on 1.33 +/- acres, the property has been the dream of one family for almost 40 years. Both conveying --- a tidy fifth wheel trailer for living and an organized shipping container as a shop have served as home base every summer while they methodically improved the property with electric, septic and well, and the remarkable staircase to the beach. Truly one of the most unique properties on MDI, awaiting what's next...
