

Traditional, Single Family - Mountain Rest, SC

165 Bonner Road, Mountain Rest, SC, 29664

Offered at \$379,900

Spectacular Lakefront former family compound, ideal for investment, flip, second, or forever home. With a little work, this five bedroom, two full bath Lake Becky home would be a true showplace. Located on a gently sloping lot, this property is unrestricted and contains the main house as well as an older cabin (no value) that could be converted into additional space, a lake front cabana, or guest house. The main level is open with a large living room with vaulted ceilings, hardwood floors, propane fireplace, dining area and kitchen. Off of the living room, you'll find two main level bedrooms, and a spacious full bath with shower tub combination. Upstairs, an additional two bedrooms, with one so large it could be used as a bunk room or additional gathering space, and a large full bath with walk in shower. Heading down to the walkout basement, you'll find the fifth bedroom, currently set up for a bunk room, a large workshop that could be converted into additional heated and cooled space and a laundry area. The main level porch offers views of the lake, and a stairwell leads down to the older cabin, located along the shoreline. The old cabin is in need of work, but has an old wood burning fireplace, kitchen and boast around 1,000 sq feet under room. A long porch offers views up, down, and across the lake, and quick access to the dock and lakefront, make this ideal for an eventual lakeside cabana, or guest house. With plenty of space, and a world of possibilities, this property is perfect for those with a vision, and is truly unique, whether you are looking for a place to call home, a short term rental, or an investment opportunity, 165 Bonner Road is a must see. Inspections and due diligence are welcome, but property is being offered as is.
