195 E Gravel Lane, Romney, WV, 26757

Offered at \$200,000

Step into the Charm of yesteryear. This 1895 home is in the heart of the historical town of Romney. The Charm remains but some upgrades are in place. There are many possibilities with the layout of this home. At one time the owner added onto the home for a space for a business so there is an additional outside access door for that location with a half bath on the main level. Need a bedroom on the main level? This could be that space. Upper level consist of a full bath and 4 additional large bedrooms. The screened in porch on the side of the home will bring back the memories of the slamming of the screened door. This could be the perfect place for dining and your morning coffee. The corner lot also provides a nice size yard and a small garage with additional space. The Front porch has plenty of room to sit and enjoy the quaint small town living that Romney has to offer.
