It's all about balance, isn't it? You'd like to live in a nice neighborhood, but don't want to feel too boxed in. You'd like a little bit of land, but not so much it'd be difficult to maintain. You want a sanctuary at the end of your work day, but you don't want a long commute to get there. This beautiful home in Midlothian has what you need to give you that much needed balance. The 1.12 acres, on a quiet cul-de-sac street in Country South, gives you plenty of breathing room, while still enjoying the closeness of community. And when you want to spend some time outdoors? You have access to your very own oasis - a private, gated, sparkling lake - to rest and relax and enjoy. What are you waiting for?
