PRISTINE, NEVER FARMED LAND WITH 2 BUILDINGS AND A BARN. What a wonderful opportunity to own this combined 245-acre property that is actually FOUR separate lots and zoned Agricultural Act 319! Lots may be subdivided with an easement road for easy access to different parts of the property. THE FIRST lot has 80 acres with 20% farmland and 80% wooded. You can have a nice Farm to Table set up on this lot. THE SECOND lot has 19 acres with a MULTIFAMILY home with 3 units, garage with office and apartment on the second floor, barn, and large metallic structure. Plenty of room for family and friends. It can even be a good investment opportunity for rentals. THE THIRD lot has 79 acres, a wooded lot with Buckwha Creek that borders the northern side of the property. What nice views you will have on this vast lot! THE FORTH lot has 60 acres, and 6 acres of farmland. How about a great seasonal attraction such as a corn maze or pumpkin patch? There are so many uses for this unique piece of property. Make all the noise that you want because it cannot be heard out at the road coming into the farm. Nearby are Ski Resorts, State Parks, Casinos. Major Roads Route 209, 476, and Route 33. Enjoy the Mountain Views being in an oasis of your own. This would make a great mini-retreat, resort, or development. You can purchase one, two, three, or all four lots. The choice is yours!
