

Unimproved Land - Fort Worth, TX

Approximately 31.2965 acres of land conveniently located off of I-30 & Beach close to Downtown Fort Worth & with incredible views. There is a gas well on the property that is active which means that residential cannot be built within 650 ft of gas well according to the city. So that leaves approx 6 acres of land that could be developed for residential use. Location is currently zoned for commercial. The area is changing for the positive. There is word that someone is planning on re-developing the whole Woodhaven Golf course area & this property is right by that area. The city is also working with developers to rehab the entire stop 6 area which flows into this location. This is a prime opportunity to get while the getting is good and grab this land and develop and join the revolution of the changes that are about to happen in this area.
