Beautifully maintained and thoughtfully designed, this home offers a versatile and inviting floor plan. The first floor features a formal living room, currently used as an office, with French doors leading into the family room. The family room includes a gas-burning fireplace and bay windows that fill the space with natural light, and it opens seamlessly to the kitchen. The kitchen is well-appointed with a breakfast bar, built-in desk area that could also serve as a coffee station, and all appliances remain. This level also offers a formal dining room, a convenient half bath, and a mudroom with built-in cabinetry. With the exception of the entry and living room/office, the main level features beautiful Brazilian Cherry hardwood flooring. It also offers two walk-in closets and an en-suite bathroom with dual sinks, a walk-in shower, jetted tub, and a separate water closet with built-in storage. The second bedroom includes both a standard closet and a walk-in closet, and all of the bedrooms are nice sized. The finished basement adds valuable living space with an additional family room, a large bathroom with a laundry closet, and an extra room for storage.
