The property includes a 3BR/2BA home that has just been renovated, six sites with tenant-owned homes, three sites with park-owned homes, and six vacant sites. Of the six vacant sites, two are pad ready including plumbing, electricity, and septic systems. There are three wells on the property that service all sites and each site has its own septic system. Tenant-owned homes are not included in the sale. Site rental fees include plowing, trash removal, and individual septic tanks being emptied.
