

Residential, 1 Level - Signal Mountain, TN

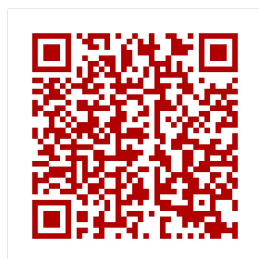

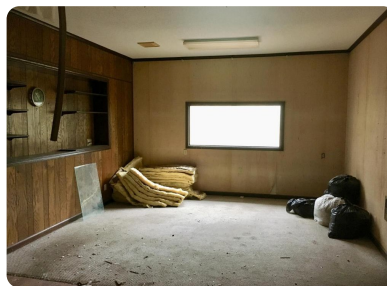

3814 Taft Hwy, Signal Mountain, TN, 37377

Offered at \$185,000

This commercially zoned property would make a great residential conversion with a few upgrades. The property features a large fenced lot, updated full kitchen, spacious living areas and 2 two car garages for the car buff or home work shop. This is a great live work opportunity for a someone needing a shop space. House does need new drywall that was damaged and removed in a pervious leak. Roof has been replaced.
