

For sale

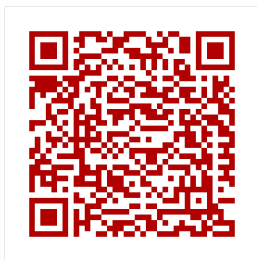

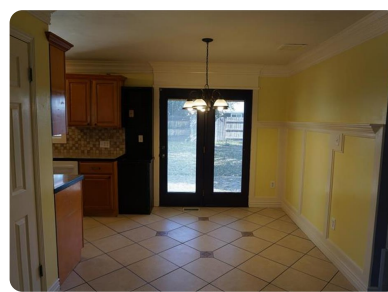

458 Valley Drive, Idaho Falls, ID, 83401

Offered at \$209,900

RARE over-sized 3 car garage & a newer roof! This comfy home has had lots of tasteful updates. Shadowbox panels, bead board & crown molding throughout give it TONS of charm! You'll be astonished at the HUGE garage with room for 3 - 4 vehicles and a work space! The Bathrooms & kitchen have been updated with newer cabinets, tile & nice fixtures. The kitchen also features a big walk-in pantry! The main floor seems to have hardwood under the carpet. This home has 3 main floor bedrooms. 1 with exposed hardwood floor. From the dinig room there is access to the backyard boasting a stamped concrete patio, fire-pit, large shed, in-ground trampoline, & a fenced garden area. The spacious family room and 1 of the basement bedrooms have egress windows. The 5th bedroom is functional but could use a little finish work. The laundry is fully finished (No dungeony spaces here!) Top it all off with a mature yard, and central A/C located in a great neighborhood! Close to school & shopping!
