Offered at \$4,800,000

Now this IS Colorado. 160 acres of alpine meadows and massive aspen groves surrounded by the San Isabel National Forest. Pass Creek tumbles through the entire length of the property which not only sounds peaceful but also attracts abundant wildlife. You can follow the creek along an established trail all the way to pristine Pass Creek Lake or you can enjoy a gentle walk under the canopy of huge aspens on an old ranch road that runs through the property. The views of mountain peaks above and the beautiful Arkansas River Valley below are breathtaking. The property is accessed by a county road and does not require 4-wheel drive. The property is close to town yet surrounded by public land and would make a perfect family or corporate retreat. Arrangements have been made to tour the property in a side by side.
