This is the PERFECT home for gathering with friends & family. You get a covered porch that's big enough to sport a swing or outdoor furniture. A formal living room, kitchen with pantry & a main-floor family room with gas fireplace & a full bath conveniently located off the entry to the HUGE 3 car garage. The kitchen features newer appliances & refinished cabinets. Upstairs are 3 bedrooms, a full bath & a Master Suite with corner tub & separate shower. There is also an open area that would make a great office space or game area. The daylight basement features 2 more bedrooms & LOTS of storage! This home also features GREAT OUTDOOR SPACES! Enter your own backyard oasis with a completely decked out stamped concrete, covered patio equipped with gas fire rock, built-in barbecue & lighted ceiling fans. Situated on a 1/2 acre fenced lot for lots of outdoor activities. BUT WAIT!!! This one also features a 40'x60' heated shop. Tall enough to pull in a commercial vehicle or install hydraulic lifts for the auto enthusiast. This great home has a lot to offer but could use a little TLC. Mostly just elbow grease. Great Value!
