Offered at \$499,000

Your peaceful retreat has finally hit the market in Jackman, the "Switzerland of Maine." The most beautiful lakefront on the entire lake, offering unobstructed views of Sally Mountain and incredible sunsets await. For 25 years, this peaceful retreat on Bigwood Lake (Wood Pond) has been well cared for and gently lived in by the same family. Once you enter, the warmth of the logs and spectacular views beckon you to stay awhile. The comfortable bedrooms, and open and vaulted living areas make the home feel larger than it is. There's plenty of room for extra guests in the loft area bedroom also! The large porch overlooking the lake is a great place to sit and enjoy the sounds and views of nature, watch the kayaks, small boat activity or an occasional seaplane. The pebbly/sandy shore line makes it easy to launch your own kayak or canoe and paddle for hours toward the Moose river, Sally Mountain or Attean. A four season retreat, it includes a large "shed" that can accomodate multiple recreational vehicles. This amazing, furnished, home is a once in a lifetime opportunity to escape from the hustle and bustle of everyday living while only 3 hours from Portland and 2 hours to Quebec City. The cedar log exterior, and public water and sewer for easy overall maintenance. Don't hesitate, this is the one!!
