

# Residential Detached, 3 Storey - Whistler, BC

## 5462 Stonebridge Drive, Whistler, BC, V8E 0V9

Offered at \$39,000,000

Perched high above Alta Lake you will find 5462 Stonebridge Drive, a modern mountain architectural masterpiece. Cleverly constructed on an incredible 7.625 acre lot, this home incorporates its rugged surroundings in the most remarkable way. The building and design features seamlessly connect the estate to the natural world and blend perfectly with the surrounding landscape. Walk through a radiant entryway of blue glass and be greeted by a brilliant spiral floor plan that wraps around the stunning inner courtyard on one side while opening up to the phenomenal all encompassing views over the lake to the world famous Whistler and Blackcomb slopes on the other. The courtyard is a pivotal area of this property and is dotted by three exquisite light cannons, which are stunning art installations that also double as light features in the wine room and spa while providing fresh air into the home's mechanical area. Another notable art piece that can be viewed from both outside in the courtyard and inside of the home is the gorgeous floating staircase that is supported by a series of cascading cables. The visual appeal of this element of the home will leave you speechless. You will never tire of experiencing the peaceful moments offered by this impressive home especially when those moments are enjoyed in the wonderful living room. An impressive forty foot granite fireplace that stretches to meet a power operated skylight acts as the centrepiece of this area while three rotating Capoferri doors connect this space to an incredible outdoor deck - the perfect spot to sip your morning coffee and start your day! With over 3,000 sq/ft of outdoor decks and terraces, indoor / outdoor living is made easy as all spaces throughout this mountain estate flow and connect seamlessly to the outdoors. A one of a kind, 82' cantilevered infinity pool reaching out and over the mountain side into midair is an absolute show stopper. Imagine swimming and reaching towards the mountains and feeling as though you can almost touch them - a thrilling experience no doubt! This exceptional home is one of a kind that has been so thoughtfully designed and constructed that you will immediately feel a sense of tranquility and peace as soon as you enter the front gate. No detail has been overlooked and the quality can be observed throughout the entire 8,696 sq/ft estate. The mountains are calling and there is no better place to be than 5462 Stonebridge Drive.
