RARE OPPORTUNITY IN NORTHERN MICHIGAN! When you arrive at this one of a kind property, you will be taken aback by the incredible views of the untouched opposite shoreline. The main house is custom built and tastefully renovated with nature as an inspiration. Unique handmade railings guide you to the front door. Upon entering the home, gorgeous lake views are the star of the show. Accenting the open concept living area is a magnificent two story fireplace with a personal touch favoring all-sports Lake St. Helen. Newer French doors allow for a refreshing breeze off the water, and lead you out to a stunning radial patio. Ideal for listening to the loons sing and watching the sun set. Highlighting the 500 feet of shoreline is a cultured stone and limestone capped seawall that compliments the estate. Further down the frontage you will come across a private boat launch and a brand new dock just put in this year. After a day on the lake, relax at the "Officer's Club." An indoor/outdoor oasis complete with custom pizza oven. Great for baking pies too! St. Helen is a quaint town located in Roscommon County, about twenty miles east of Houghton Lake, and only twelve miles from West Branch. This area offers some of the best outdoor activities year round, including canoeing, kayaking, fishing, golfing, and hundreds of miles of ORV trails. Enjoy the convenience of nearby shopping and dining, while still feeling secluded and a world away!
