

Ranch/Rambler, Detached - FRONT ROYAL, VA

826 W 16Th Street, Front Royal, VA, 22630

Offered at \$350,000

This Mid-century house has been home to one Family for five generations. The two car attached garage along with the two car detached garage behind the house really sets this home apart from anything on the market in this area! You will have a place to park, plenty of room to work on your vehicle, store your outdoor toys, 4 wheeler's, lawn equipment and there's plenty of attic storage in both of these garages. The corner lot makes this a desired home and it also sits on three combined lots. The yard is larger than most in the town of Front Royal. Beautiful mature trees line the yard, yet there's still room to garden, play or just relax on the patio. Mid-century architectural details in the design and the wood trim accents around the doorways, fireplace, and windows show the craftsmanship of that time. The home features three bedrooms, two full baths and a bonus room off of the living room. This room could be used as an office, gaming room, or playroom. The home is beautifully lit with natural light in the living room, dining room, and kitchen. The dining room features a built-in cabinet designed by a local furniture maker in Strasburg. The basement has a retro vibe, lots of room for entertaining, large laundry room, and more storage. Known as the Canoe capital of Virginia, Front Royal offers many fun outdoor activities for everyone from sightseeing, fishing, hiking, vineyards, breweries, antiquing or a flea market. The home is located near the hospital, historical sites, downtown public square, near route 55 and route 66 is minutes away. Enjoy the tour. See the potential! Love it, make an offer!
