Offered at \$400,000

This amazing home has many historical stories to tell. The owners think the original part of the home was built circa 1930-40. It is the perfect combination of ranch/rustic/traditional and farmhouse styles. Imagine yourself walking into a home with a rock floor entry, gorgeous wood floors, vaulted ceilings, huge stone (floor to ceiling) fireplace, a kitchen with floor to ceiling cabinets large enough for the family to cook together, natural light in every room, bay windows, grand bedrooms with very large bathrooms, a loft to look out over your formal living area with dramatic french doors, lots of closet space and covered patios and decks to entertain. Then imagine it with a separate guest house with a vaulted ceiling, 2 rooms plus a loft, a kitchen and 1.5 baths surrounded by 1.562 acres and storage buildings. Now imagine it's yours. Make an appointment to see it and let's talk about it.
