

Vacant Land - Alys Beach, FL

Gg9 Whitten Way, Alys Beach, FL, 32461

Offered at \$1,630,000

The Phase 4, GG Block section of Alys Beach will be a neighborhood where nature dominates the scene and weaves its way through a varied collection of picturesque homes organized around an expansive wetland park and nature preserve. The collection of cottage homes and gardens embraces the adjacent nature preserve and wetland park. The neighborhood streetscape is characterized by a reflective canvas of undulating white garden walls that open into landscaped courtyards and gardens -- all set against a variegated assortment of the green and gold textures of the rugged natural setting. A neighborhood that is a bit more "country" than "town."
