Looking for a lot in town? Here it is. Water and electric on the property already. There is a slab from an old house still in on the property, ready to build your home and within walking distance to downtown and shopping. Perfect location. Grand Saline is a small rural town known as the Salt Capital of the World and with an excellent public school system, it is a good place to call home. Grand Saline sits about 15 min from I20 and about an hour to Dallas or Tyler so it is a perfect location to get away from the city but close enough to commute or shop.
