

# Acreage - Bristow, OK

## West 281st St S, Bristow, OK, 74010

Offered at \$200,000

If you are looking for a remote hunting property that is away from the beaten path this could be what you are looking for. This hunting and recreational property is Very remote, very secluded, very much similar to the Ozarks on a smaller scale. Only use of this property besides the owners has been oil and gas exploration which is good because they are long gone and all that is left are the abandoned roads that they built. The small lake is big enough for a john boat and provides plenty of water for wildlife and recreational activities of the owners. Rough access on abandoned section line road but Seller will negotiate improvements at closing.
